

Congregational Fasting Prayer

** Prayer for the Coronavirus Crisis

Dear Heavenly father, our creator and guide,
Foremost, looking at the world of today, which is driving uncertainty, I cannot help, but confess.
First, I repent that we have lived without realizing how grateful we were for the peace and prosperity God has been given to us.

As if human strength has great power, I repent that we lacked prayer for grace before our Lord, the Creator and Master of all things. We lost sight of your Word that the says that Lord Jehovah keeps a watchman's vigilance over the city. Remembering the words of 2 Chronicles 7:14, I pray that we will humble ourselves and pray and seek Your face and turn from their wicked ways. We earnestly pray and ask for permission to recover and heal. Also, at this time, we pray that you will give those who are struggling with the coronavirus an opportunity for salvation, and that you will give strength and power to all medical staff who are striving and working for them.

Right now, we all have great fears about the changes that will happen following the coronavirus pandemic. The social structure and economic loss that could change in the future can confuse us. There is above all, a disturbance in the spiritual ecosystem that puzzles us, Christians.

At a time like this, we ask for a sure answer and guidance, Lord, on what direction we will take, and where we should put our essential vision for tomorrow. Have pity on us and lead us to the way of life.

We ask that you take care of the families, businesses, and workplaces of the saints so that they will not endure great difficulty, but rather, allow them to experience the grace of the Lord in suffering.

Please give the President and all national leaders the wisdom to cope with this crisis well.

Now we ask for all these things to get settled quickly so that we can experience once again freely meet, worship the Lord together, share our routines, be able to profess that all this was through your Grace.

We give you all the glory, I pray in Jesus' Name.

*We pray for the spirit of falsehood and confusion to vanish and only the spirit of truth claim this country and its people.

*May the leaders be God-fearing and lead the country in righteousness.

****Prayer for America**

1. Please let them know that abortion and homosexuality in this country is a sin!
2. Repentance of the leaders who built the Tower of Babel against God by creating laws and institutions contrary to God in the White House, Supreme Court, and Upper and Lower Houses in all areas of politics, economy, culture, art, education, and media.
3. Hollywood's movies, TV, Internet, and magazines that allow people who believe in God to turn away from God and fall into the sin of idolatry turn away from the sin that allowed the temptation to infiltrate false thoughts and souls. Help us not to commit sins that hinder the glory of God!
4. May the right leadership be established within church ministries that do not follow God's heart and those that lack of proclamation of the Truth that make the church of God sick and that have intercepted the glory of God.
5. Help us know and realize that the overall difficulties facing the United States (economic, political, social, cultural, moral, education, and family) are the result of this country leaving God and leaving the Word, and especially economic difficulties are a warning to return to God.
6. Please change the university, education, and culture of this country, which did not prepare the next generation to rise up as God's people, but rather raise the world's leaders against God, into ones that fear God!

1. Pray for the Kim Jong-un administration, who is living a luxurious and prosperous life while ignoring the 7 million North Korean compatriots who are suffering. ** Prayer for the family

1. We repent of our sins for not setting the example of faith and life in harmony with our children.

2. For avoiding the responsibility as parents for our children's godly training and spiritual maturity, and repent of our sins for trying to raise them with my own strength rather than with prayer on our knees.

3. We repent of the secular values that we put on good grades, good schools, and good jobs ahead of our children's fear of God.

4. I repent for failing to instill the vision and dreams of God and the sense of vocation as God's children.

5. We repent of our indifference to children who are experiencing severe confusion in their hearts.

6. Forgive us of our sins I have dealt with my parents, spouses, and children without respect and courtesy.

7. For taking lightly in being faithful and keeping fidelity to my spouse, and with a selfish heart hoping that only my spouse will change without making any effort and will forgive with love and repent of unacceptable sins.

** Prayer for me

1. I confess that I am a sinner who did not fear God.

2. I confess that I am a sinner who does not truly love God because I do not respect the commandments of the Lord to love God and love my neighbors and do not keep it with all my heart.

3. I repent for disobedience and for not practicing by faith where my spiritual growth, change, and enthusiasm disappeared. Without a sense of my problems, I fell into spiritual pride and complacency. I lived a spiritually helpless life without reproach from lies and deception instead of being taught to listen to the Word, learn and understand the Word, and receive the Word as life.

4. I believed in myself rather than God, so I repent of my pride that I couldn't give the full control of my life to the Lord.

5. Bound by the lust of the flesh, the lust of the eye, and the pride of this life, I loved the world more than God, and lived as the leader of division, not unity. I repent of my sins.

6. We repent of our sins of acting according to individualism and selfishness, rather than building community. I lived with spiritual ignorance not discerning God's will, saying 'No' to God's will and 'Yes' to my own will, and did not manage well our time and materials, knowledge, talents, and gifts entrusted to me to steward.

7. Please forgive me for my failure to repent, always rejoice, pray without ceasing, and give

thanks in all circumstances.

8. I judged my brothers and sisters who were different from me. I repent that as a person who has suffered and was hurt, and experienced God's forgiveness, but have not forgiven, condemned and judged others with my words without understanding other's needs and difficulties.

9. We are obsessed with worldly success rather than spiritual growth, compromising with the world, and repent of our sins that we lived not as witnesses of the Gospel, and lived ashamed of the Gospel.

Lord, forgive our sins and have mercy on us.

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and I will forgive their sins and heal their land. (2 Chron 7:14)
